

# Buona Pasqua

This Easter, 2018, we are honoring outstanding members of the New York and New Jersey communities. The names of this year's honorees, our *Ospiti d'Onore*, were selected from literally hundreds of nominations submitted by our readers to receive the highly coveted and prestigious Stivale d'Italia Award of Excellence, in official recognition of the pride that they have shown in our rich heritage, culture and traditions.

These fine men and women are successful Italian Americans to whom we can all point with pride. They are of exemplary moral character and conduct, spoken more often than not of their honesty, integrity, reliability and unwavering dedication to fair and ethical business practices.

*Bravo e Congratulazione a tutti, gli Ospiti d'Onore!*
